

Citizens Advice South Lincolnshire's Adviceline number has moved to a local freephone number, this will ensure that people are able to continually access our service in this difficult time. The number, along with other contact details for parts of our service, are included in the attached contact flyer.

Please may i ask, where possible, for you to pass on the flyer to your parish councilors for inclusion in their parish magazines? And, when it is possible to do so, to display the flyer in your local Parish office?

Any help that you are able to provide will be greatly appreciated. I will be sure to pass on updated versions of the flyer to you when changes are made.

Best Wishes,

Sean Betts
