

Dear Sir / Madam,

April 2021

Request for Charity Donation

Lincolnshire Lowland Search and Rescue is a charity that is working towards becoming operational in order to assist the emergency services, carrying out searches for missing children and vulnerable missing persons. We have amazing volunteers from all over Lincolnshire and Humberside, from Grimsby in the north, to Spalding in the south, which is why we are approaching all parish councils within Lincolnshire and Humberside.

We are entirely run by volunteers and as we receive no government funding, we rely completely on donations from the public and companies such as yours.

We provide our services free of charge and train all our volunteers to nationally recognised standards.

During COVID-19, we have been unable to fundraise through our usual ways, yet we continue to train our volunteers and also have recently set up our Search Dog Team. As you may or may not know, there are over 500 parish councils within Lincolnshire and so we are asking... could you donate just £10 to our charitable request? If each parish council was able to donate this amount, we would have enough funds to be able to keep our charity running for the next few years! This would be an amazing boost, given the recent challenges we have faced!

If you are interested in learning more about our charity, please visit our website at www.lincslsar.org, or email me at secretary@lincslsar.org.

I look forward to hearing from you in due course.

Yours faithfully,

Helen Foster-Isaacs
